- **Interclub Parking:** Parents and caregivers may park in the lots in front and behind Interclub Academy of Dance, but all must enter through the front door on Milwaukee. Please do not use the parking lot on the side of the complex, where cars are subject to be towed.
- **Interclub:** Drop off and pick up for class is done in the front lobby. Parents and caregivers for young students who may need assistance going to the restroom must remain in the front lobby during class.
- **NFFC:** Drop off and pick up for class is done on the 2nd floor in front of the studio. Parents may wait during class in the 1st floor lounge, but families with non-dancing children should leave the facility until pick up time. There will be staff members available to escort students to the bathroom if necessary.
- Parents, caregivers, and family members are not allowed into the dance studio, except for during Parents' Visiting Week, in which parents and family members are invited to watch the entirety of class, occurring the last week of most sessions.
- Children must be accompanied by a parent or caregiver at all times outside of the child's designated class time.
- Students are expected to attend class punctually. Those entering late can cause a distraction to other students and create a safety hazard to miss proper warm up.
- No food or drinks are allowed in the studio other than water. Ordinary belongings, including street shoes and coats, should be left in the dressing room or with the parent or caregiver.
- Students receive blank sticker books the first time they register for a Ballet with Ms. Rio "studio" program. These books should be brought to each class in order to collect stickers as a reward for good behavior.
- Please observe proper dress/hair code (see Uniform Code document). No costumes, tutus, or dress-up clothes. No dance shoes allowed on the street.
- Questions? Email us at info@dancerio.com or Call/Text 847-720-5789.
